

INDUSTRY COLLECTIVE AUSTRALIA

A Community of Specialists
Connecting expertise across Australian industry

Who We Are

Industry Collective Australia connects trusted specialists with the Industry Partners Australia community — a national network of industrial businesses, leaders and professionals.

The Collective helps specialists build visibility, grow their industry network and create opportunities through genuine relationships and practical industry engagement.

What Participation Looks Like

- Attend ICA events
- Follow and promote fellow specialists
- Share your expertise
- Support referrals
- Connect one-to-one
- Submit blogs and case studies

Why Join?

Visibility
Build your profile and showcase your expertise.

Network
Connect with specialists and the wider IPA community.

Opportunity
Create referral and industry engagement opportunities.

Participation
Join events, share expertise and support the network.

There is no financial commitment

Participate, contribute and connect when you can.
